

Interdisciplinary Graduate Program in
Molecular & Cellular Biology

Fall 2012 Workshop & Seminar Series

"Cardiac precursors: dancing around the endoderm"

Fang Lin, M.D., Ph.D.

Assistant Professor of Anatomy & Cell Biology
University of Iowa
Molecular & Cellular Biology Faculty

"Prostaglandins: the little lipids that could"

Tina Tootle, Ph.D.

Assistant Professor of Anatomy & Cell Biology
University of Iowa
Molecular & Cellular Biology Faculty

Thursday, October 4
1:00-2:00 p.m., 1289 CBRB
